For the submission of complaints to IVASS, the form on the website of the Supervisory Institute

can be used in the section on Complaints, which can also be accessed through the link on the website <https://www.ivass.it/consumatori/reclami/index.html>.

In addition, if the complainant is domiciled in Italy, it is in any case possible to address complaints to IVASS by requesting the opening of the FIN-NET procedure for cross-border disputes. IVASS will involve the FIN-NET System member authority of the member state where the Company has its registered office (Luxembourg), if any.

- Commissariat aux Assurances (CAA).

If the complaint is made in the interest of a consumer (natural person acting for purposes other than professional), the complaint may be addressed to the Commissariat aux Assurances (CAA), the competent authority of the Grand Duchy of Luxembourg, which is competent because AIG Europe S.A. has its registered office in that State. An out-of-court dispute resolution procedure will be opened at the latter authority. The CAA may not take over the complaint if it is currently, or has been in the past, the subject of litigation or arbitration. The procedure can be activated only after a complaint has been addressed to the Company and no later than one year after that time if the response is deemed unsatisfactory or unanswered.

The references of the CAA are as follows:

The Commissariat aux Assurances
11 rue Robert Stumper, L-2557 Luxembourg
Grand-Duché de Luxembourg,
Tel.: (+352) 22 69 11 - 1, caa@caa.lu

See the directions on the following Internet page: <http://www.caa.lu/fr/consommateurs/resolution-extrajudiciaire-des-litiges>.

All requests to the CAA should be addressed in Luxembourgish, German, French or English.
